

DATA PRIVACY ONLINE COURSE

Training Session in Madrid

19 September 2019

ALTER TECHNOLOGY TÜV NORD

Calle de la Majada 3, Tres Cantos, Madrid

We cordially invite you to test, for the first time in Spain, the Data Privacy Online Course developed within the framework of the EU project DroneRules PRO. Bring your own laptop and join other professionals from the drone industry to try out this next-level privacy training course. The event will be accompanied by our experts who will help you use the course, answer your questions and collect your valuable feedback. Here you will learn how to use your drone in compliance with the applicable data protection laws and thus avoid liability risks and fines for yourself and your company.
